**Barefoot Puppet Theatre** presents their newest show, *The Little Bread Hen*. Inspired by the classic tale of *The Little Red Hen*, this puppet show uncovers the truth behind some of the glaring plot holes in the original version. (How does a chicken learn to bake bread and why, exactly, won't the other animals help?) Journey with us to a small European Bakery as we cook up the answers to those questions and more in this hilarious retelling! **Barefoot Puppet Theatre's** original puppets, innovative staging and surprise ending are seasoned with a liberal dash of Dr. Seuss, *Bremontown Musicians* and *The Fox and The Hen* in this 45-minute performance for family audiences.

(WARNING: Be prepared to suffer along with the other animals as real fresh bread is baked behind the scenes...Mmmmmmmmmmm!)
